

## NIHR School for Public Health Research Pre-doctoral Fellowship 2024

Applications are invited from individuals with a Master's degree and with a strong academic record who wish to develop a career in public health research that is closely connected with public health practice. The NIHR School for Public Health Research (SPHR) pre-doctoral fellowships in Public Health Research are available for up to 24 months offering those appointed the opportunity to consolidate and build their CV and to prepare an application to undertake a PhD in public health.

The NIHR School for Public Health Research is a partnership between University of Bristol; University of Cambridge; Fuse; The Centre for Translational Research in Public Health, a collaboration between Newcastle, Durham, Northumbria, Sunderland and Teesside Universities; Imperial College London; the LiLaC collaboration between the Universities of Liverpool and Lancaster; The London School for Hygiene and Tropical Medicine (LSHTM); University of Sheffield, University of Exeter, the PHRESH collaboration between the Universities of Birmingham, Warwick and Keele.

Awards will normally be taken up in April 2024

Please complete this application form, upload the required documents and submit by 12pm Monday 23rd October 2023
